As a below named inventor, I declare that:

I have reviewed the Amendment After Final submitted herewith, and all Amendments previously submitted in this Application. Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant.

I declare that all statements made herein that are of my own knowledge are true and that all statements that are made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
